

LIMITED EDITION AUTOGRAPHED HANK AARON LOUISVILLE SLUGGER BAT

Hank Aaron is the 2009 recipient of Louisville Slugger Museum & Factory's Living Legend Award. To commemorate this special occasion and his historic appearance at the museum, Louisville Slugger has produced 150 limited edition collector bats signed by Hammerin' Hank. These bats are available to the public for \$500. All of the proceeds benefit the Hank Aaron Chasing the Dream Foundation.

The commemorative bat is Hank Aaron's A99 model. It features two branded signatures from two contracts he signed with Louisville Slugger. The "Henry Aaron" signature brand is from his original 1952 contract and was the brand used on his bats throughout his career. In 1971, he signed a second contract with Louisville Slugger as "Hank Aaron." **This is the first time that signature has ever been branded onto a Louisville Slugger bat.** The Louisville Slugger logo brand on the bat dates back to the trademark that was used when Aaron began his legendary career. Each bat comes with a Certificate of Authenticity.

As an added bonus, with each bat purchased, you and a guest will be invited to the 2009 Living Legend Award Celebration featuring an appearance by Hank Aaron. This exclusive, by-invitation-only event is set for Friday November 13th at Louisville Slugger Museum & Factory. The celebration is part of the museum's annual auction weekend with Hunt Auctions, Inc.
